New Signed Second Edition of Best Selling Handbook with each Mini Consult

Published by Productivity Press, a Taylor and Francis Company, the second edition of the *Managed Care Contracting Handbook* provides a comprehensive resource for the full range of issues that are involved in managed care contracting. This book has been a best seller since 1996. The second edition contains a wealth of new and updated material, and it will likely become the standard reference work on the subject. Maria will include a signed copy of the book with each mini-consult. This book is available from the publisher and at Amazon.com at for \$80.

To schedule your mini consult or for more information, call 800.209.7263

It's Easy as 1-2-3
